Foreword

Picture with us a beautiful sunset. Visualize with us her many rays that speak not with the voice of pessimism and doubt but rather with optimism and hope. Now you share with us the atmosphere demanded and deserved by this publication. As you wade through this 12th edition of Treasured Memories substitute in its place, if you will, that setting sun. One ray reflects our search for laughter and the joy of living; another, our struggles as scholars for new thoughts and ideals. Still another ray brings back images of parental sacrifices as they sought to make us whole. But lo, our sun is setting also . . . her rays are growing faint and obscure. But we face that reality with security and determination. Now we are sinking below the horizon. Even so, our rays paint one final vivid message on the low hanging clouds . . .

"Mountains loom upon the path we take;
Yonder peak that rises sharp and clear;
Behold us there now with head uplifted;
Planting there our feet, we stand secure."

To You, Mr. Wilson, We Dedicate Our Annual

CHARLES F. WILSON

We, the Senior Class of 1960, dedicate our annual, Treasured Memories, to Mr. Charles F. Wilson. As both teacher and coach, Mr. Wilson has proved to be not only an educational leader, but also a real friend as well. This dedication is made to you, Mr. Wilson, with our fondest admiration and love.

For several years our school board has been composed of the same patrons of our school. Their functions are such as these: to set our school policies; promote its improvements; select our principal and teachers; and to control our local school budget.

Wilson's Mills School Board

Willis Creech, Chairman, Mrs. Frances Wilson, Nelson Wilson, Jr., Howard Parrish, and Ralph Cox.

Our P.T.A. has consistently appropriated funds for our school and its improvements, as well as support the various activities in our school. This year our barbecue supper was a huge success, and the P.T.A. gave our Cheerleaders new uniforms.

Wilson's Mills P.T.A.

Ayden Lee, President; Mrs. Hobert Reeder, Secretary; Mrs. Kirby Rose, Program Chairman; Willis Creech, Ways and Means Chairman; Mrs. G. C. Uzzle, Social Chairman; Miss Carolyn Parrish, Publicity Chairman.

Principal's Message

The class of 1960 is the largest and one of the most talented that we have had to graduate since I have been in this school. Many of you have made outstanding records as students, and I hope will continue to make outstanding records as citizens after you have graduated from High School and taken your places in life.

The progress of the world depends upon the leadership of every generation. I hope that you will contribute your part of this leadership to help make the world a better place in which to live.

It is my hope that each of you will face the world of the adult with faith, confidence, and courage. You will need courage to face the many problems of life; you will need confidence in your own ability and in other people to help you make the right decisions; you will need faith in God and in your fellowman to have happy and successful lives.

In closing, I would like to wish for each of you a long, happy and successful life.

After several years of planning we have organized a Monogram Club. The purpose of this club is to promote our school athletic activities. Those who have participated in twenty-five quarters or more a year are entitled to wear a letter. For each successive year they receive a gold bar. Captains, Co-Captains, and head cheerleaders proudly display a gold star to distinguish them. In this first year of our Monogram Club, our sponsor, Mr. Charles Wilson, has been a tremendous help and inspiration to us.

One to grow on . . .

Good health is our business. We take a deep personal pride in watching the growth and development of youngsters raised on Pine State's good, health-giving milk and dairy foods. We feel great satisfaction in the knowledge that we contribute to the growth of the community as we do to the growth of its citizens.
We're proud of the fact that we're growing, too . . . that more and more families are asking for Pine State's pure, delicious milk, ice cream and other fine dairy foods.

In Conclusion

We have shown you all of our treasures, and now we must close. The Seniors are proud of their accomplishments, and we have tried to show you just a few of these through this edition of "Treasured Memories." The work has been hard, but we have thoroughly enjoyed it. The results of twelve wonderful years of study are here for your inspection. We must pass on to other places in life, but we leave these memories of our years in Wilson's Mills High School for you and for all those who will come after us.

Piracy has been artistically developed by Betty Sue Otto as our theme this year and the home of Mr. and Mrs. W. J. Woodard, our grade parents since the first grade, is the background of many of our pictures. We appreciate this family's every effort through the years.
